Rifat Ahmed - Beauty Therapist

I have 14 years experience in the beauty industry. I specialise in Electronic facials, St Tropez classic tanning, Jane Iredale pure mineral make-up - the first skin care make-up on the market, electrolysis, and Epil Pro hair removal amongst other treatments.

As a self employed Beauty therapist I was bought into the fold at 479 Hair Design and straight away I felt part of the team. Our services compliment each other which ensures our clientele get the first class quality service under one roof.
